

PRINTABLE TAPE MEASURE

Quick Assembly Directions

1. Print out this measuring tape template on your printer.

In the printer dialog window, under the Page Scaling drop-down menu unselect "Fit to Paper" and select "None"

Print on regular size 8.5 x 11 paper

2. Cut out the measuring tape pieces along the edges using a pair of scissors or a pencil cutter.

Do not cut-off the gray striped sections labeled "glue here"

3. Easily assemble the measuring tape.

Using a glue stick or tape, affix the second section to the first. Overlap the sections so that the entire striped "glue here" areas are completely covered.

Wait a few minutes until the glue is dry to start using your tape measure
